

Water Drain Valve/D011, D608

- Designed with high security and ease of use, handy to install.
- Highly reliable. Connect a tube to the bottom of the bucket allows residual water to be automatically discharged.

JIS Symbol

D011W-04 D608W-04

Specifications

Model No.	Unit	D011W-04	D608W-04
Port size		Rc½	
Maximum operating pressure	MPa[kgf/cm ²]	1.2(12)	
Proof pressure	MPa[kgf/cm ²]	1.4(14)	
Operating temperature range	℃	5~50
